

WEEK 3: Knock – Let’s Not just “Read” the Bible

Objective:

To encourage students to be aware of Biblical truth in their daily lives and in media.

Ask:

YouTube is full of stuff, but what do you treasure?

Have you ever found any good spiritual insights from media?

“speaking to one another with psalms, hymns, and songs from the Spirit. Sing and make music from your heart to the Lord”

#Bible, but where?

Seek:

Can you find songs and movies of hidden Bible treasures on YouTube?

Let’s “sing” the Bible, make music to the Lord.

Shall we share our spiritual treasures?

Three times a year all your men must appear before the Lord your God at the place he will choose: at the Festival of Unleavened Bread, the Festival of Weeks and the Festival of Tabernacles. No one should appear before the Lord empty-handed: Each of you must bring a gift in proportion to the way the Lord your God has blessed you.

#Bible, but where?

Knock:

Students are required to bring a song or a movie that they can relate to what they have read in the Bible.

Students are encouraged to share their spiritual treasures like bringing gifts to God in a festival.

Assessing the Lesson:

Teachers will show students that Biblical stories and truth can be found in the media. They may then share personal experiences in God with the students.
